Canadian Citizens and Permanent Residents enrolled in EAP 050-EAP 090 only pay CapU student fees. There is no course tuition. All students enrolled in EAP 100 and EAP 101 pay both course tuition and CapU student fees.

International Students enrolled in all EAP levels pay both international tuition and CapU student fees.

Financial Aid:
Some Canadian citizens and permanent residents may qualify for funding through the Adult Upgrading Grant (AUG) for EAP levels 050-090. See the Financial Aid and Awards webpage for more information.

EAP Term Dates:
- **Fall term:** September-December
- **Spring term:** January-April
- **Summer term:** May-August

EAP for Credit—Get a head start on your academic program.

Some CapU programs such as Business or Early Childhood Care & Education may accept EAP 100 (6 credits) or EAP 101 (3 credits) as elective credits. Program areas will determine how many credits from EAP they will accept.

CapU EAP instructors care about you.

Our instructors want you to succeed. We are with you every step of the way, addressing your questions and your language learning needs. We will do our best to help you make progress toward your future academic program and improve your English for life skills.

Community Engagement: Getting you involved!

EAP courses will get you involved in campus and community events, experiences, and volunteer positions. This is a great way to improve your English, make friends, and help people in the community.

Placement Test Scores

EAP requires English proficiency test scores in order to place students in the appropriate EAP level.
