Regular class attendance, and participation in course activities and assignments, is expected and likely essential to successfully achieving the course learning outcomes. Students are responsible for any and all content and instructions communicated during scheduled classes, in course handouts, and (if applicable) via course email and web sites. In cases where participation by all students is essential for conducting the planned instructional activities, attendance may be mandatory. In all cases, the attendance expectations and any penalties for missing instructional activities shall be clearly articulated on the course outline.
