## HONORARY DEGREES

### RUTH SIMONS

Doctor of Letters,  
*honoris causa*

June 7, 9:30 a.m.

Born and raised in West Vancouver, Ruth Simons spent her formative years being mentored in her family's travel insurance business. She later grew this business and eventually sold it to The Co-operators Group where she became vice-president of travel insurance and completed a successful merger with one of their largest competitors before retiring from the industry in 2007.

Since then, Ruth has immersed herself in not-for-profit work and volunteerism, becoming an elected council member with the Village of Lions Bay from 2008–2011 and convening the Howe Sound Community Forum for elected officials in the region. For her community advocacy, the Village of Lions Bay presented Ruth with the Citizen of Distinction award in 2014 and Citizen of the Year in 2015. Most recently, MP Patrick Weiler named her as one of the region's Unsung Heroes.

In 2017, Ruth actively championed the efforts to have the Howe Sound region designated as an official UNESCO Biosphere Reserve—forever preserving the precious environment that flourishes in the region. Following a five-year campaign and as a result of her leadership, on September 15, 2021 the Howe Sound region (Átl'ka7tsem) was internationally recognized as a UNESCO Biosphere Reserve—the 19th in Canada. As part of the celebrations, Ruth received one of the highest honours from the Skwxwú7mesh Úxwumixw (Squamish Nation)—an Esémkwu (blanketing ceremony) in recognition for her achievement.

Ruth has continued leading the Howe Sound Biosphere Region Initiative Society—an organization responsible for managing this UNESCO designation. Over the past year, Ruth has tirelessly worked to manage the new UNESCO responsibilities, including fundraising and setting up an official partnership and working group with Capilano University to support student and community research projects in the region.

## **HAMID ESHGHI**

**Doctor of Laws,  
*honoris causa***

***June 7, 2 p.m.***

Born in Iran, Hamid Eshghi, has an immense appreciation for his life in Canada. Having lived through the 1979 Iranian revolution and Iran-Iraq war, Hamid's experiences and memories have enabled him to embrace and interact with people from various cultural and economic circumstances. His passionate interest in people and communities fuels his desire to give back and engage with organizations he supports.

Through Hamid's leadership as president of the Djavad Mowafaghian Foundation for the past 20 years, the foundation has made a positive impact on countless organizations and residents across the North Shore, Metro Vancouver and Canada. To date, the foundation has contributed in excess of \$65 million to provide support for recent immigrants, education, international outreach, children's services, the performing arts and health-care research and innovation.

Hamid's generosity of spirit and commitment to philanthropy also extends to the foundation's work with children and its support of youth programs and education—most notably, committing over \$16 million to the BC Children's Hospital and \$1.5 million to We Charity, among others. At CapU, a significant contribution of \$500,000 by the foundation was made to the new Centre for Childhood Studies.

Outside his philanthropy work, Hamid volunteers his time on major fundraising campaigns for both the Vancouver General Hospital and UBC Hospital Foundation and the UBC and Lions Gate Hospital Foundation. With his wife, Arya, he has travelled to three different continents to build schools with Me to We.

For their work in the community, Simon Fraser University honored Hamid and the foundation with the President's Distinguished Community Leadership Award in 2022.

**BOB  
McGILL**

**Doctor of Laws,  
*honoris causa***

***June 8, 9:30 a.m.***

Bob has enjoyed a long career in Canada's financial services industry. He has spent time in banking, 18 years in stock brokerage and management at Dominion Securities Inc., and finally, 18 years in investment management and counselling at Phillips, Hager & North Investment Management Ltd. where he led the development of its private client division.

Long-time North Shore residents, Bob and his wife Brenda were connected to CapU when their son, Rob, enrolled in a two-year Studio Arts program. While Rob later graduated from Dalhousie University's School of Architecture, the McGills credit CapU's smaller class sizes and quality instructors for laying the foundations of his academic success.

As a long-serving member of the Capilano University Foundation Board, Bob championed the CapU story and attracted the commitment of others to support the life-changing learning experiences at the University. His many generous contributions over the years have enhanced not only programs and bursaries for students, but also the distinct educational environment at CapU. The University's new Learning Commons could not have been developed without the gift from the McGill Family Fund—a contribution that was transformative and impactful towards the revitalization of CapU's main campus.

In retirement, Bob remains involved in several charitable initiatives where his family have demonstrated generous support for education, health-care and environmental initiatives that matter to the community and make the world a better place. He is an honorary director of the Lions Gate Hospital Foundation and sits on the foundation's planned giving committee. Additionally, he oversees contributions from the McGill Family Fund and is a member of the Board of Advisors with Universal Outreach.

## NEIL CHRYSTAL

Doctor of Laws,  
*honoris causa*

*June 8, 2 p.m.*

Neil Chrystal has devoted his career to serving the business community in Metro Vancouver. Neil began his career with Polygon Homes in 1987, after completing his degree in commerce and urban land economics at the University of British Columbia. He worked his way up over the past 35 years to become president in 2003. Through his leadership, Neil has built one of the top ranked companies as recognized by BC Business Magazine. He was also recently named one of the 500 most influential business leaders in the province.

Having built over 33,000 homes, Polygon Homes is one the leading homebuilders in B.C. and a significant leader in philanthropy within the construction industry. They have made notable contributions to the former Presentation House Gallery, now named the Polygon Gallery after their gift of \$2 million to support its redevelopment. The company contributes thousands of dollars annually to health, arts and community-focused organizations in the region. They also made a recent contribution of \$100,000 to support CapU's Centre for Childhood Studies.

Outside his work with Polygon Homes, Neil contributes his time to multiple community organizations, providing his leadership and business governance expertise. He currently serves as a member of the Board of Trustees at the Audain Art Museum, vice-chair of the Board of the Urban Development Institute and member of the board with the Business Council of Canada. Additionally, he and wife Andrea have been long-time financial supporters of deserving causes across the arts, health-care and community services.

**PAUL  
LAROCQUE**

**Doctor of Letters,  
*honoris causa***

***June 9, 9:30 a.m.***

Paul Larocque has demonstrated a commitment to the powerful role that arts education plays in the lives of young people, with a strong belief that our next generation will need to tap into their genuine creative expression to fully address the world's challenges and opportunities.

As president & CEO of Arts Umbrella—an internationally recognized leader in the area of arts education for young people—Paul has led the 44-year-old, non-profit organization through a period of significant growth, notably, with the opening of its new 50,000 net-square-foot centre on Granville Island. Paul is proud of the community impact and reach of Arts Umbrella which provides high-quality arts education to more than 20,000 children and youth annually, in Metro Vancouver and beyond. Seventy-five per cent of students participate at little to no cost through donor-funded community programs, bursaries and scholarships.

Prior to his current role, Paul held the position of associate director of the Vancouver Art Gallery for more than a decade. Throughout his career, Paul has been committed to promoting the importance of education in our society. For several years, Paul has served as a mentor and a selection committee chair with the Loran Scholars Foundation, as well as the McCall MacBain Scholars program. For close to 20 years, Paul has been an active member of Chor Leoni Men's Choir, an internationally recognized ensemble that is comprised of approximately 60 volunteer singers. He is also a member of the Granville Island Council.

# OUR TRADITIONS

## MACE

The mace depicts the authority vested in the University to grant degrees, and also incorporates the history and tradition that surrounds both the territory near our regional campuses and the vision of Capilano University.

The mace's design portrays the unique territorial qualities of our region, which extends from Deep Cove to Mt. Currie to Earl's Cove on the Sunshine Coast.

These qualities include reference to the animal world, the landscape, directional symbolism and the human element.

The mace is carved from yew, which is a natural wood found in the region. The mace was carved by Xwalactun (Rick) Harry, a Sḵwxwú7mesh (Squamish) Nation artist whose works are recognized internationally.

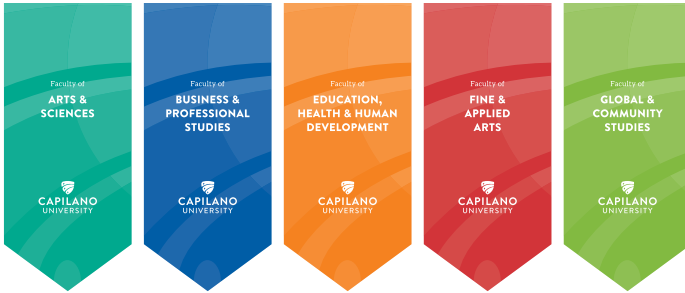

Responsibilities for bearing the mace originated in the office of the Bedellus or Beadle and date back to the University of Glasgow, which was founded in 1451.

The function of the Bedellus was to keep the students in order and, on the days of public functions, they arranged the seats for dignitaries.

The duties of the Bedellus have varied greatly over the centuries. In the 17th and 18th centuries, the incumbent was required to regulate bonfire settings and purchase university supplies.

Officially, the Bedellus is responsible for administration of the university's facilities. The most prominent role of the Bedellus was, and continues to be on ceremonial occasions, leading the academic procession and carrying the university mace.

## GONFALONS

Gonfalons are banners suspended on a crossbar. They are one of the traditional components of academic ceremonies that lend colour and dignity to processions and stages. At Capilano University, gonfalons are used in the convocation ceremonies and represent each of the University's

five faculties: Faculty of Arts & Sciences (teal), Faculty of Business & Professional Studies (dark blue), Faculty of Education, Health & Human Development (orange), Faculty of Fine & Applied Arts (red) and Faculty of Global & Community Studies (light green).

## LEGACY CANOE

In celebration of our 50th anniversary in 2018, CapU commissioned Squamish Nation master carver Ses siyam (Ray Natraoro) to build a traditional Coast Salish canoe as a

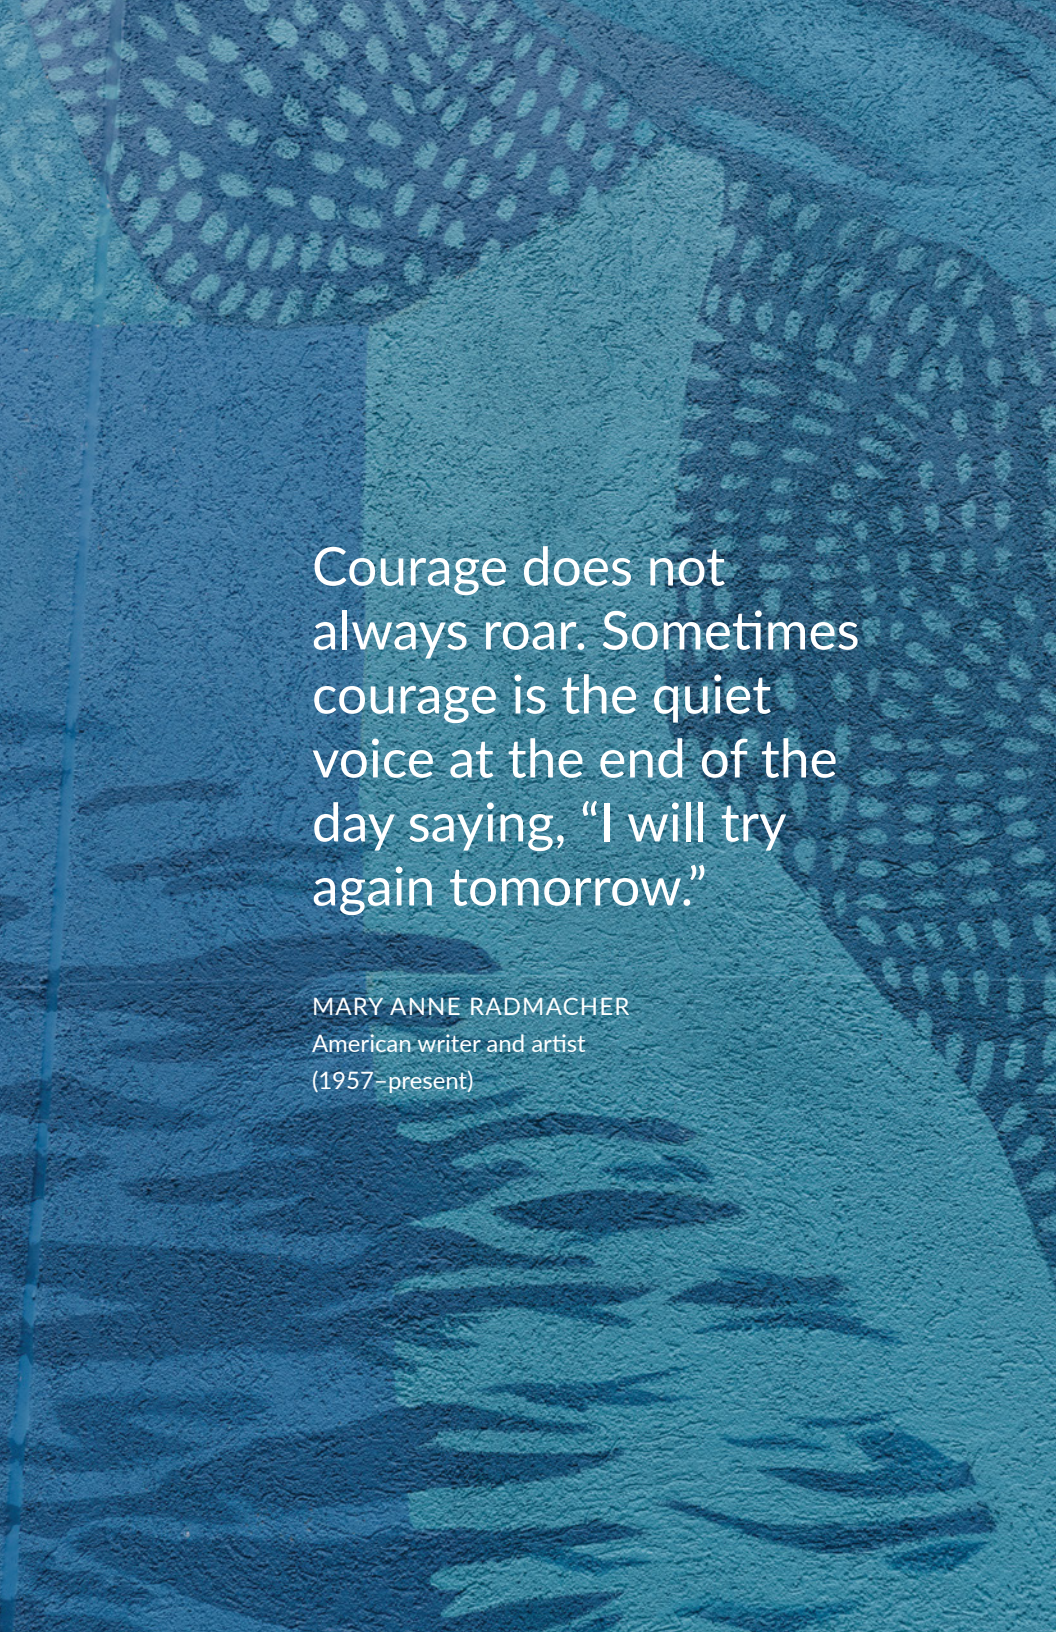

legacy for future generations and a symbol of the University's commitment to Truth and Reconciliation.

The 30-foot-long seaworthy canoe, named Skw'cháys in the Squamish Nation language, was carved at the North Vancouver campus in the winter of 2019, giving students, employees and the community the unique opportunity to witness the transformation from tree to canoe, and learn first-hand about Coast Salish traditions and culture.

Capilano University is on a pathway of learning how to be a responsible canoe family, and how to honour its ongoing relationship with Skw'cháys.

Courage does not  
always roar. Sometimes  
courage is the quiet  
voice at the end of the  
day saying, “I will try  
again tomorrow.”
