

Be CapU Safe in 2024!

What is CapU Safe?

CapU Safe is our commitment to the health, safety and the well-being of everyone who works, learns and visits Capilano University. More than just [an app you can download](#) for health and safety information, being **CapU Safe** embodies the vision and values of the University's 10-year plan, *Envisioning 2030*, to make health and well-being a cornerstone of everything we do.

How to be CapU Safe?

Being CapU Safe at CapU requires the conscious effort of everyone in the community. You can help by:

- Working and studying in a way that doesn't put yourself or others at risk of injury.
- Reporting unsafe acts, conditions and incidents as soon as you spot them on campus.
- Actively participating in health, safety and wellness activities planned throughout the year.
- Intervening if you see someone acting in an unsafe manner.
- Responding quickly and appropriately to incidents, emergencies and alarms.

Where to find more info?

- [Visit the Safety & Security webpage](#)
- [Download the CapU Safe app](#)
- Check out the Health & Safety notice boards around campus
- [Employee-related health and safety information on Frontlines](#)
- Call campus security 604 984 1763
- Email safety@capilanou.ca

Keep **CapU Safe**! Report hazards, near misses and incidents as soon as you spot them around campus and **never walk past an unsafe act or condition**. If you see something that cannot be corrected right away, try to secure it and inform your instructor or manager/supervisor and the safety team—safety@capilanou.ca.
