CANDIDATE INTERESTS AND ACTIVITIES

Student Name: Seth Dhaliwal

INTERESTS AND ACTIVITIES AT CAPILANO

My favourite places to be at CapU are the library and the Student Union. I love meeting new people at the school as well as running into old friends! It's this sense of community that inspires me to step up. On the Senate, I will push to make sure our academic policies always put the student experience first.

OTHER INTERESTS AND ACTIVITIES

I am passionate about advocating for myself and others, I have been a Breakthrough T1D Ambassador since 2023. Through this work, I have been able to advocate for Type 1 Diabetics such as myself and dispel misconceptions about the disease. In the Senate, I believe I will bring my passion for grassroots engagement and public advocacy, skills I sharpened this past summer while serving as the Youth Coordinator for Shelley Luce during the local federal by-election

CANDIDATE STATEMENT: (Not required by University Act. Maximum 400 words.)

I am running to be a student on the Senate to fight for the interests of us students at the school. Effective representation means more than simply showing up; instead, it requires a strong backbone for advocacy, and the ability to organize real community action.

I hope to bring my experience and passion to the Senate after this election. I am prepared to work alongside university leadership, challenge policies that may harm students, and work tirelessly to ensure that our academic environment supports your success.

I would be honoured to earn your vote this election!
