Average Cost Per Year

\$24K*	\$900	\$13.2K
Average tuition (including student fees)	Health insurance	Student housing (Based on 2025-26 fees)

Total estimated average cost per year.

* 2026/27 tuition fees are projected estimates in Canadian dollars based on 2025/26 fees and are subject to change. Amounts are based on a first-year full course load of 5 courses in both the Fall and Spring terms. Estimates include tuition and student fees combined, but do not include a U-pass (public transportation), books or supplies. Tuition fees vary by program and can be paid per semester. To calculate the cost of a specific program, use the fee estimator tool at capilano.ca/tuition-fees-estimator.
