## **Business Pathway**

## Fall Term (18 credits)

EAP 090 & Business course instructors work closely together to support students in their academic work.

## Spring Term (15 credits)

EAP 100/101 & ENGL 100 instructors work closely together to support students in their academic work.

## Notes:

- 1. Students admitted to the Business Pathway Program must take all courses in the Pathway.
- Business courses will be 100-level courses selected based on availability and appropriateness of language level. They may include administration, marketing, finance, or computing courses.
- Business course credits and English 100 credits will count toward the completion of a business credential (12 credits).
- A portion of EAP credits may count toward the completion of a business credential at Capilano University. Check with Academic Advising for more details.
