

School of Performing Arts

Get intensive arts career training

Performing arts programs at CapU focus on career preparation, so you'll be building sets, acting onstage and playing in bands during your program and ready to contribute to creative projects when you graduate.

Bring your ideas to life in our creative spaces

You'll have access to our world-class theatre, rehearsal halls and scene shops, giving you the opportunity to refine your ideas and explore your artistic vision on campus.

Learn from connected industry professionals

Artists and creators with decades of experience in their fields, our instructors provide the support and guidance to help you develop confidence in your new skills.
