

CAPILANO
UNIVERSITY

Bachelor of Arts–Major in **Interdisciplinary Studies**

Your degree, your way. Choose your own path at Capilano University.

In the Bachelor of Arts with a Major in Interdisciplinary Studies program at CapU, you'll have the freedom to create the degree you want, choosing courses from across the Faculty of Arts & Sciences.

Think outside the box

Interdisciplinary Studies allows you to take your learning beyond conventional boundaries. Creating a degree program uniquely suited to your personal interests and aspirations, you'll learn to approach real-world problems with insights and methods drawn from the sciences, social sciences and humanities.

Explore your interests

In the third and fourth years, you'll begin working on research projects that engage real-world problems. You can work one-on-one with faculty members to craft your individual graduating project, creating an impressive, interdisciplinary portfolio to help launch your career.
