

# BACHELOR OF ARTS WITH A MAJOR IN PSYCHOLOGY

# START A DEGREE THAT CAN TAKE YOU ANYWHERE

With its exceptional focus on research, data analysis, critical thinking, writing and soft skills, the Bachelor of Arts with a Major in Psychology degree at CapU is a flexible credential that will set you up for success in any field.

## CHOOSE FROM A UNIQUE SET OF COURSES

Courses in your degree break into six diverse disciplines: biological psychology; social, cultural and personality differences; cognition; human development; mental health and well-being; and applied psychology. You can also specialize by choosing the concentration in applied psychology.

## EXPAND YOUR SKILLS FOR IN-DEMAND CAREERS

As you get closer to completing your degree, you can take part in several work-integrated learning opportunities, including workplace practicums. You'll be prepared to start immediately working in the field of psychology or moving into graduate studies.
