

Global Leadership in Sustainable Tourism

Post-Baccalaureate Diploma

Get working sooner with accelerated training

In the Global Leadership in Sustainable Tourism Post-Baccalaureate Diploma at CapU, you'll gain the skills to become a future leader in one of B.C.'s biggest industries.

An accelerated program to get you working

This two-year diploma is designed for professionals with a bachelor's degree; however, it can be completed in as little as 16 months, so you'll be out in the field working sooner.

Train in vital tourism areas

You'll take courses in key tourism subjects and receive training in topics including climate change, environmental stewardship, food sovereignty, policy advocacy, ethical business management and more.

Build your skills and go on practicum

Before graduating, you'll complete a three-month, 430-hour practicum. This intensive work-integrated learning experience prepares you for careers managing hotels, resorts and conferences sustainably.
