

Music Diploma

Hone your musical skills

With its accessible, nurturing environment for developing musicians, the Music Diploma at CapU is the place to specialize in a variety of disciplines, with options including piano, voice, guitar, strings, woodwinds, brass, percussion, erhu, oud, santur, sitar or composition.

Learn the trade from experienced musicians

The program's faculty are all professional musicians who are masters of their craft. Their guidance will help you develop tonal harmony, sequence, chord-to-chord connections and vital skills for learning repertoire.

Turn your diploma into a degree

This two-year diploma is a great option for students who want to pursue Bachelor of Music Therapy Degree at CapU. It also allows students to apply for third year music programs at other universities.
