

# School of **Legal Studies**

# Start a career in the legal field

Legal professionals are in high demand in B.C. and if you're looking to move into a career in law, the School of Legal Studies at CapU is the right place to start.

## Join more than 40 years of successful alumni

CapU is a leader in the field of legal education. For more than four decades, our theoretical and practical legal training taught by lawyers and experienced legal experts has placed thousands of students in careers with the potential to grow.

## Gain experience on the job

Test your new skills during a work placement. You'll gain hands-on practice in a law firm or legal department working alongside lawyers, paralegals and legal administrative assistants and benefiting from their mentorship and experience.
