## <sup>1</sup> Basis of Admission

45 specific university transfer course credits as listed in the Basis of Admission section of the program requirements.

## General Information

The Music Therapy program at Capilano offers the third and fourth years leading to the Bachelor of Music Therapy. This degree program is designed so that students may enter third year with a variety of backgrounds: music, general arts, education, or nursing etc. All four years may be completed at Capilano University.

## Continuation Requirement

Continuance in the Music Therapy program will be contingent upon an adequate level of personal, academic and clinical skills as jointly evaluated each term by the Music Therapy faculty.
